### EMPLOYMENT BY INDUSTRY

### EMPLOYMENT BY AGE

### ALSO KNOWN AS

- Air Pilot
- Captain - Air Transport
- Check Pilot
- Chief Flying Instructor
- Chief Pilot
- Co-Pilot

### MAIN DUTIES:

Air pilots, flight engineers and flying instructors perform some or all of the following duties:

#### Air pilots

- Conduct pre-flight inspection of aircraft and check passenger and cargo distribution to ensure that weight and balance specifications are met
- Contact control towers for takeoff clearances, arrival instructions and other information.

#### Flight engineers

- Inspect aircraft prior to takeoff according to pre-flight checklist and verify passenger and cargo distribution to ensure that weight and balance specifications are met.

#### Flying instructors

- Instruct student pilots in procedures and techniques of flying aircraft and in ground-school subjects such as navigation, radio procedures and flying regulations.
