MAIN DUTIES:

The following is a summary of main duties for some occupations in this unit group:

- Social policy researchers develop social programs and policies, social legislation, or proposals based on demographic, social and economic research, analysis and the evaluation of pilot projects.
- Housing policy analysts identify and assess economic, demographic, and social developments and report on their implications for housing policy.
- International aid and development project officers plan, organize and administer foreign aid and international development policies and programs.
- Social survey researchers develop questionnaires, coordinate and conduct surveys, analyse data, and compile and interpret statistics on social issues and policy areas.
