MAIN DUTIES:

This group performs some or all of the following duties:

- Develop personal financial plans for clients covering cash management, finances, insurance coverage, investments, retirement and estate planning, taxes and legal matters
- Analyze clients' financial records, set goals and develop a financial strategy
- Advise clients on implementing the financial plan to help them achieve their goals
- May also arrange for the purchase and sale of financial products and investments depending on the licence held, and monitor the portfolio to ensure its quality and profitability
- May help to expand business and attract new clients.
