ALSO KNOWN AS

- Chief Rail Traffic Controller
- Rail Traffic Controller
- Marine Traffic Regulator
- Train Operator

MAIN DUTIES:

This group performs some or all of the following duties:

- Operate and monitor centralized traffic control systems to coordinate and follow railway traffic
- Chart train movements, calculate arrival and departure times and record rail traffic information
- Issue instructions to control the movement of passenger and freight train traffic and on-track mobile maintenance equipment
- Receive, record and relay train instructions to train crew by hand or radio telephone
- May supervise and train other railway traffic controllers.
