

Let's Get Moving with Career Planning Student Questionnaire

1. What is the name of your high school?

2. Today's presentation aimed to highlight that there are and will be jobs in New Brunswick. How much do you personally believe that statement?

I strongly believe that.

I sort of believe that.

I sort of don't believe that.

I strongly don't believe that.

I do not know what I believe.

3. Many youth do not realize the skills and experience that they have gained from volunteering, extracurricular activities or from part-time work. Having a resume under development can help you when it is time to apply for jobs, scholarships or post-secondary education. Are you actively building your resume?

Yes No

4. Have you visited NBjobs.ca and used any of the products (e.g. occupational videos or infographics) on the site to learn about careers?

Yes No

5. Summer jobs, part time work, co-op programs, job shadowing or the NB Teen Apprentice Program (NBTAP) are all ways that students can "try out" careers and learn about what fits with their skills and interests. Will you use any of these as a way to "try out" careers before you leave high school?

Yes No

6. *Families and Communities as Career Coaches* is a new project. The project is trying to help people with the most influence in the lives of youth, become more aware of career opportunities and the steps of career planning. Have adults in your life, other than teachers or guidance counselors, talked to you about your options in the future?

Yes No

Do you know the options after high school?

There are many paths that a you can choose to take after high school. **Let's get moving with career planning!**
