INTERVIEW

Choose one of the above occupations and visit their booth. Ask the person at the booth the following questions.

(Be sure to first ask if they have a couple of minutes to answer your questions!)

1. What is your job?

2. What are your main duties and responsibilities?

3. What career pathway did you take (or are currently taking) for your job? (I.e. college, university, apprenticeship, on-the-job training). What post-secondary program or on-the-job training did you take/are you taking?

4. What are the opportunities for advancement? (Ex. by doing extra training you can become qualified for a position with more responsibility)

5. What tips or tricks would you recommend to a high school student like me, who is interested in following your career path?

6. If I am interested in working or volunteering at your location, who would I need to contact to apply for a position?
